# About AASA

THE ASIA AMERICA SYMPHONY ASSOCIATION (AASA) is the parent organization for the Asia America Youth Symphony (AAYS). The youth symphony provides learning and performing opportunities to young people, primarily in high school. Founded in 2001 and led by Music Director and Conductor David Benoit, playing in the AAYS is a unique experience.

The AAYS members learn from mentors that include professional musicians and alumni. They get a chance to perform live with recognized musical stars in major venues such as the Walt Disney Hall, John Anson Ford Amphitheater, Zipper Concert Hall, Armstrong Theater, and many others. They have had a chance to record in a professional recording studio for a CD recording session.

The AASA Golf & Tennis Tournament is one of the major fundraising events for the organization. Your donations are used to support the mission of the association. We appreciate your support of this important musical, educational, and cultural organization.

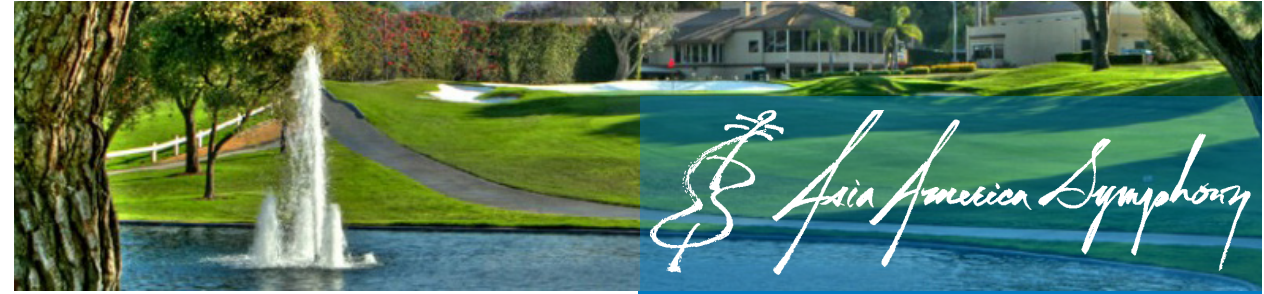

## Mission Statement

The Asia America Symphony Association is dedicated to developing and mentoring young musicians by providing education and performing opportunities in a professional environment featuring classical and jazz concerts and integrating Eastern and Western influences.
